Welcome back Seniors! Most of you have been anxiously awaiting your senior year, given all the unknown, it's not surprising. Now that we are back, it is your turn, your responsibility, to lead this school and set the standard for underclassmen. Our hope for all of you is that you take a moment to slow down and enjoy this time in your life. While discussions of future plans and finances can be stressful, you will never get to experience *the milestones* with *these* people ever again. With senior year comes a lot of information that you need to know. Scholarships, senior deadlines, special opportunities, important dates and much more! We will be posting this newsletter on our website and sending emails regularly, so don't miss out. It is YOUR job to read through the information and see what applies to you. Please don't miss out on opportunities.
